#### 3. PURPOSE OF THE PROCESSING

The data will be collected in a web platform in preparation of InfoDays and Brokerage events linked to the Preparatory Action on Defence Research activities.

In particular, the collection of personal data will allow:

- participants to register and to indicate topics of interest;
- the validation/approval of the registration;
- to keep track of the list of participants for the purposes of the events;
- to facilitate the establishment of bilateral contacts and networking opportunities;
- to distribute any information related to the events.

Registered and approved participants are allowed to use the personal data available in the web platform only for the purposes of the Preparatory Action events.

IdLoom will process personal data only in order to register the participants to the event and to provide them with a confirmation email to their participation. Furthermore, IdLoom will transfer data to Nodily through a secured HTTPS Protocol. Nodily will support the participants in the setup of bilateral meetings.

The data subject shall only transmit personal data to IdLoom in relation to his/her user account. Beyond that, the data subject shall not transmit to IdLoom any other personal data.
