

EDA procurement procedure 14.CAP.OP.034

Requirements and Landscaping study on Maritime Surveillance Networking(MARSUR) Extension

Question-Answer nr2

Question:

I kindly request information about the possibility of submitting the Draft Project Management Plan mentioned in par.2.5.1 of the tender specifications as a standalone document separated of the Technical Proposal and, therefore, not adding up to the Thecnical Proposal total number of pages, limited to 15 (annexess apart).

Answer:

Project management plan is part of the technical proposal and should be included in the 15 pages. Please revert to 4.2 **The whole document shall not exceed 15 pages (excluding CV, and list of already delivered studies connected to the purpose of this contract).**
